

## Hotel-Pension Funk

Fasanenstraße 69  
10719 Berlin

Ideally situated in central Berlin, our hotel-pension lies in a quiet backstreet of the world-famous Kurfürstendamm. The house which was built at the turn of the century in 1895, was once home to the silent movie star, Asta Nielsen who lived here throughout the years 1931 and 1937. Many original features are still to be seen including decoratively covered ceilings and detailed art nouveau windows. Breakfast buffet included, free Wifi.
